## Programs—On the Horizon

---

**Mary Fons**

**“Ten Things I Know About Quilting and Life (I Think)”**

**June 12, 2018**

**6:30pm to 8:30pm**

Mary's all grown-up and for the past eight years, Mary has been learning, teaching, failing, succeeding, creating videos, designing fabric, recording TV shows, creating podcasts, lecturing, traveling, and of course, making quilts. She's learned a few things about making patchwork and teaching it—and she's learned about life, too. Full of quilting tips and inspiration, this funny and touching lecture is a favorite.

---

**Susan Brubaker Knapp**

**“The Artist in You”**

**July 10, 2018**

**6:30pm to 8:30 pm**

I describe my personal journey from that of a traditional quilter and pattern designer to an artist who makes both traditional quilts and art quilts. I start by discussing my work (both traditional and art quilts) and some of the techniques I use. The focus is on ways for traditional quilters to become more creative by embracing their own “inner artist.”

Creating fiber art is my consuming passion. I am an artist who works in fabric and thread. I find great joy in creating works that draw people closer and invite them to savor color, texture and form. The art I create is my way of celebrating and documenting the deep mysteries of the world that are to be experienced only by close inspection of the miraculous details of nature.

While my core materials — cloth and thread — are those used in traditional quilting, I often employ substances such as fabric paints and dyes, Tyvek, Angelina fibers, and water-soluble wax pastels, to transform the cloth. Nearly all of my work is realistic in style, and starts with original photographs of the subjects. I use two primary techniques – wholecloth painting, and fused applique – then heavily free-motion thread sketch the surface before quilting.

# A Message from Your President, Donna Smith

It's amazing how fast time passes. It's already May and we are nearly half way through the year. Is quilting a wintertime or a summertime activity for you? Some like the coziness of winter and some like the extra long days of summer. I've come to enjoy the changes that the different seasons bring. I like the extra energy that the early morning sun gives me, and I'm looking forward to summer months in the Guild. We have Mary Fons and Susan Brubaker Knapp bringing programs and classes in June and July, respectively. And we'll have another Sew Day in August. Summer gives us the opportunity to finish quilts for the Boulder County Fair as well as our Quilt Show in October. Summer gives us time to make mini quilts for our Mini Quilt Auction and Outreach and Quilts for Kids quilts. Summer gives us the opportunity to join a Bee or make a new friend. Summer gives us an opportunity to sell raffle tickets. Summer gives us an opportunity to think about 2019. There are many opportunities to serve and we need all the help we can get. Enjoy your summer! I know I will!

We've done a lot so far this year, but really, it's only the beginning! It's going to be a great year.

## Kids Can Quilt Workshop

**Thursday & Friday, June 21 & 22, 2018**

**Time:** 10am to 4pm each day

**Workshop Cost:** \$50.00

**Location:** First Evangelical Lutheran Church,  
803 3<sup>rd</sup> Ave., Longmont, CO 80501

**10 Slots Available!**

This is a great workshop opportunity to introduce kids to the creative world of quilting. With supervision, they will learn to rotary cut their fabric and machine piece their own lap-size quilt top. Then, they'll learn how to layer the quilt with batting and a backing, and finish their creation by machine quilting their "sandwich" in straight lines. They will have a ton of fun while learning all the basics of sewing and quilting, and by the end of the second day they will have a finished quilt to take home.

All kids ages 8 to 18 are welcome—whether they are new beginners with no experience sewing or quilting, or whether they have started quilting and want to add to their skill toolbox.

The supply list is located on the LQG website and will be available at sign-up tables.

Their teacher, Donna Mae Norris, has taught the Kids' Quilting class for 29 years and brings her great ability to work with kids, showing them how they, too, can enjoy quilting!

# Helping Others through Outreach Programs—Donna Mae Norris

Community Outreach has consistently been one of the guild's highest priorities. We hope that every guild member makes one or many Outreach Quilts each year. Our energy is focused on making beautiful quilts that provide warmth and comfort to adults and children in their time of need. We donate our quilts to the Longmont Police and Fire Departments, the Rocky Mountain Cancer Treatment Center, the Women's Shelter, the Hopelight Medical Clinic, the Our Center, Tiny Tim Center, The Inn Between, H.O.P.E. Homeless Outreach, Pink Quilts for people recovering from breast cancer, and also Colorado fire, flood and tornado victims.

When the Police and Fire Departments pass out our quilts, they tell those who receive them that the quilt was made with love, caring and thoughtfulness by members of the Longmont Quilt Guild. They give almost 50% of our quilts to children and almost 50% to women and the remainder to men. Everyone who receives one is hurting and suffering so they want the quilt to help the person feel better.

So far in April 2018 we have donated 39 Outreach Quilts to the Longmont Police Department. We have completed five quilts for the Rocky Mountain Cancer Treatment Center and two

quilts for the Women's Shelter and many more are still being worked on, and we hope to donate all these in July. If you are still working on one of these, please try to bring it back to us by June, or earlier. One Pink Quilt is completely finished and five tops have been returned. We must have all 12 Pink Quilts completed by September, so if you are making a Pink

Quilt top, please try to return it by June, or earlier, so we can get it quilted and the binding on. If you are unable to get the remaining Cancer Center, Women's Shelter

or Pink Quilt tops back to us by June, please give back the kits so someone else might be able to make it.

Pink Quilt nomination forms are available on the LQG Web-Site and I also bring nomination forms to each monthly meeting. The form must be returned no later than Tuesday, September 11, 2018.

About three-fourths of our Outreach Quilts are made from kits we make, and about one-fourth are made by our members from their own fabric and patterns. All the quilts we receive are so lovely!

**Thank you so much** for any quilts you made for us or any fabric you donated to us! The community really appreciates your efforts and so do the members of the guild.

# The 2018 Quilt Show Is Coming—Registration Opens July 17th.

---

Each guild member will have the opportunity to enter up to two quilts at no cost. If you've not yet joined the guild – become a member now and join in the fun. The annual show provides us the opportunity to spotlight the art of quilting, while touting the talent of our group, so please consider entering a quilt – or two! **Quilts may not be larger than 110" x 110"**. Winning quilts are selected by attendees of the quilt show and ribbons will be awarded for first, second, and third place.

Starting in mid-July you can register online at <http://longmontquiltguild.org/quiltguildactivities/quilt-show/>.

**Quilts must be registered by September 19<sup>th</sup>**. Last year the show filled up early, so please understand that registration may close earlier if we hit the maximum number of quilts we can hang.

Registered quilts may be dropped off at our October 9<sup>th</sup> guild meeting. There is no late drop off this year, so if you will not be attending the October meeting, please make sure you make arrangements to have a friend drop it off. Quilts must be labeled and have a hanging sleeve. Loose quilts will not be accepted, so please bring them in a pillowcase or other protective covering with your name on the outside as well. The guild website has all the information you'll need on the quilt

show, as well as information on how to make a quilt sleeve. If you have any questions, please call Teresa Puszta at 720.505.1769.

## The 2018 Raffle Quilt. How Many Chances Have You Sold?

The Longmont Quilt Guild raffle quilt is so amazing that we have already sold over 1,800 tickets for a total of \$1,668. The quilt has been "on tour", as we've been

taking it to our monthly meetings plus the monthly meetings of the Colorado Quilt Council. It has also been on display at The Lyons Quilting shop where they have made \$191 in ticket sales. It will also be displayed at the Presser Foot after the April CQC meeting in Colorado Springs. The quilt will also be on display at the Berthoud SunFest Outdoor Quilt Show on June 16th from 10am to 4pm in Fickel Park, Berthoud.

Thanks to all of you who have been selling and buying tickets. Our goal is 5,000 tickets by December, so keep up the good work!

# We Need Your Quilts for the LQG 2018 Quilt Show Silent Auction

Your mini quilts, that is. If you have a small quilt in your stash (or in your head waiting to get out) we'd love for you to get it out and donate it to this year's quilt show for the silent auction. Last year our mini quilt silent auction was a great success, so we'd like to see if we can do even better this year.

Our goal is to have 100 mini quilts for a silent auction to be located at the entrance of the show this year. We'll showcase 50 quilts for each day. Minimum quilt size (width + height) 24", maximum quilt size (width + height) 72". This means you can donate any quilt that is 12"x12" up to 36"x36" and anywhere in between. We'd love to see some table runners and 3D items in there too, so don't limit yourself to just square shapes.

Be creative! Try a new technique! Pull out that orphan block you've been meaning to work on! This will be our main fundraiser at the show this year, so please consider making a quilt for us to auction off. As always, thanks for your continued support of our Guild!

## Build a Block of the Month!

---

Imagine leaving the guild meeting with a stack of lovely, large quilt blocks! Our Guild's block-of-the-month is a fun, voluntary program where you can make one or more blocks and enter them in a drawing at the meeting where you could win them all.

All blocks are 12-1/2" unfinished. We will hand out printed directions at the meeting prior to when a particular block is due and instructions will also be posted on the website at <http://longmontquiltguild.org/quiltguildactivities/block-of-the-month/>. This is a great way to use up your lovely scraps! You could also sew along during the month to make yourself a sampler quilt since

the blocks are all the same finished size.

In the event you want to try new blocks but don't want another project we will have a donation box for your blocks, or any orphan blocks you are not going to use. We will give them to outreach for their use.
