

# Longmont Quilt Guild 2020 Block-of-the-Month

## March Block | Spring Forward

### Fabrics

#### A | Spring/Leaf Green Print

Four 3-5/16-inch x 6-3/16-inch rectangles  
Two 2-7/8-inch squares – cut each once diagonally to yield 4 triangles

#### B | White

Two 5-1/4-inch squares – cut each twice diagonally to yield 8 triangles  
One 3-5/16-inch square

#### C | Yellow Print

Four 3-5/16-inch squares

**Note on cutting 3/16 and 5/16 increments if your quilt rulers don't show this:**

3/16 is between 1/8 and 1/4  
5/16 is between 1/4 and 3/8

(Image not to scale)

### Assemble White/Yellow Side Triangles

Make 4 side triangle units. Use the 8 white triangles and the 4 yellow squares for the side triangle units. Right sides together, stitch two triangles to each square short sides. Side triangles should measure 6-9/16-inches on the short sides.

### Assemble the Green Units

Make 4 green units. Find and mark the center on one short side of each green triangle. Find and mark the center on the long side of each green triangle.

With right sides together, match centers and sew short end of one rectangle to long edge of one triangle.

### Assemble Block

Stitch a side triangle made in the first step to each side of 2 of the green units made in the second step.

Sew the remaining 2 green units to opposite sides of the remaining white square.

Sew the units together as shown below.
