

# Longmont Quilt Guild 2020 Block-of-the-Month

## August Block | Summer Harvest

(12-1/2-inch block)

### Fabrics

#### A | White

Two 5-inch squares (for HSTs) (*Mark one diagonal line, corner to corner, on wrong side of each 5-inch square*)  
 Eight 2-1/2-inch squares (for 4 patches)

#### C | Dark Coordinating Fabric

Two 5-inch squares (for HSTs)

#### D | Medium Coordinating Fabric

Eight 2-1/2-inch squares (for 4 patches)

#### B | Veggie/Fruit Fabric

One 4-1/2-inch square (center square)

### Make 4-Patch Units (Yields 4)

With right sides together, match one White 2-1/2-inch square with one Medium 2-1/2-inch square. Sew along one side. Press seam to the Medium fabric. Repeat with the remaining seven sets of White and Medium 2-1/2-inch squares.

Take two of the units just created and place them, right sides together, so that the White and Medium are facing each other on either end. Sew along the long edge, nesting the seam created in the first step. Press 4-patch open. Repeat with the remaining six units to yield four 4-patch units.

### Make Half-Square Triangle (HST) Units (Yields 4)

Pair each 5-inch White square with a 5-inch Dark square. With right sides together, sew a scant 1/4-inch along either side of the marked line on the back of the White fabric. Cut on the marked line and press the seam allowance to the Dark fabric side. Carefully square these up to 4-1/2 inches with the diagonal line on the ruler along the seam. This will yield 4 Dark and White half-square triangles.

### Assemble Block

Lay out all the units and remaining 4-1/2-inch Veggie/Fruit square as shown below, and sew together.
