Background/Fabric 1 Half-Square Triangles (HSTs)

Make 20 2-1/2-inch HSTs

On the **WRONG** side of each of the fourteen Background 3-inch squares, mark one line along the diagonal. *Set aside four of these for the next step.* Match ten of these with the ten of the Fabric 1 3-inch squares, right sides together. Sew a scant 1/4 inch along either side of the marked line on the diagonal. Cut on the marked line, and press the seam allowance toward the Fabric 1 side. Carefully square each of these up to 2-1/2 inches, making sure the seam line is on the 45-degree line on your ruler.

Background/Fabric 2 HSTs

Make 8 2-1/2-inch HSTs

Using the four Background 3-inch squares left over from the previous step, match these with the four Fabric 2 3-inch squares, right sides together. Sew a scant 1/4 inch along either side of the marked line on the diagonal. Cut along the marked line, and press the seam allowance toward the Fabric 2 side. Carefully square each of these up to 2-1/2 inches, making sure the seam line is on the 45-degree line on your ruler.
