#### Two Corner Units

On the WRONG side of the four Background 2-1/2-inch squares, mark a line ONCE on the diagonal.

Take one Medium Print 2-1/2 x 6-1/2- inch rectangle and place, right sides together, Background 2-1/2-inch square on top, matching edges at one end of rectangle as shown below. Sew ON the diagonal line. Trim 1/4 inch from the seam toward the corner. Press open. Take another 2-1/2-inch Background square and repeat this on the other side of the rectangle as shown below.
