Two Corner Units

On the **WRONG** side of each of the four Background 2-1/2-inch squares, mark one line along the diagonal. Align one of these Background 2-1/2-inch squares, right sides together, in one corner of a Dark/Medium 4-1/2-inch square. Sew **ON** the marked line. Trim 1/4 inch from your sewn line toward the corner, and press seam allowance toward the Print fabric. Repeat this same step on the opposite corner of this unit. Repeat these steps for the other two Background 2-1/2-inch squares and one Dark/Medium 4-1/2-inch square.

Assemble Block

Arrange units and remaining 4-1/2-inch squares as shown below and sew together.
