Take one of the four Background and Dark Print quarter-square-triangles cut from the 5-1/4-inch square. Pair them as shown below, right sides together, with edges aligned, and sew along the right side. Repeat this with the remaining three triangles from the Background and Dark Print to yield four total units.

Take one of the units just sewn and, right sides together, pair it with one of the Medium Print triangles as shown below with the edges aligned. Repeat this with the remaining three units and three triangles. This unit should measure 4-1/2 inches square.

Assemble Block

Arrange units and remaining 4-1/2-inch squares as shown below and sew together.
